

TEAM CRAZY SPORTS

Guided by the sound of high energy music playing in the background, teams of competitive "fun seekers" make their way to the colourfully decorated challenge arena. Upon arriving, the teams are greeted by our eager to please staff of activity/game instructors and directed to their colour coded flagged staging areas where they begin sizing up their rival teams. Simultaneously, event officials are briefing the team captains on the skilful and competitive games and challenges to come.

Starting off with our sporting Events teams are led to their respective areas where they will be greeted by our facilitators. Sports are explained and the games begin with each sport lasting only 15 minutes, teams need to score the most points to top the table and become the "Crazy Sport Champions" Crazy Sports includes Games like Giant Volleyball, Six side netball, six a side soccer, Giant marbles and lots more. This exciting event offers all participants the opportunity to mix it up with their co-workers and friends as they compete against a different team at each of the game and challenge stations. Let the fun begin!
